## New JCC Dance Class & Piano Lesson Policies

- There is a maximum of 8 students in the dance studio per class.
- Students and 1 guardian if needed should arrive to the entrance with masks on.
- Upon arrival you will have a short health screening of questions and temp taken. If you feel sick at all, please do not come. Please arrive early to avoid being late for class. While in line for the health screening, please keep a 6ft separation between you and the people around you waiting.
- If possible, please do not bring bags, but if you need additional shoes for class, those can be brought in a small bag. These will be placed on the floor by the ballet barres at the 6ft markings, NOT in cubbies.
- When entering and leaving the studio, please use the hand sanitizer by the door.
- In class we will maintain a 6 ft separation between students and teachers.
- Teachers will wear masks for the entire class, but dancers do not need to. We recommend the masks that can hang from your neck so that you can pull them up or bring them down without having to put them somewhere. FOR PIANO PRIVATES we ask that the participant and teacher wear masks the entire time.
- Studios, Pianos and chairs in the lobby will be wiped down between each lesson.
- All dates and classes are tentative and subject to change.

## Dance Studios Finished. Theater Remodel Underway!

Dance Camps and classes will be held upstairs in our beautiful new dance studios. These spaces were made possible by a very generous gift from Michael Staenberg.

These new, fully equipped dance studios in the Marlene & Marty Staenberg Arts & Education Corridor, feature sprung dance floors to help prevent injury, new sound systems, barres, mirrors and TV's in the lobby so parents can watch their dancers.

Additional renovations taking place in the Cultural Arts department include the theater, dance offices, dressing rooms, sewing room and bathrooms. When completed, our area will also have two new music studios for more piano lessons, vocal and musical instrument training!

In the Theater we are raising the ground to increase visibility for the audience, installing all new seats, acoustical system, rigging, curtains and lighting, and all new AV. In addition there will be new bathrooms with changing areas within, dressing rooms and a family changing room. It is going to be amazing!
