Capacities

BY ROOM

The JCC has different styles of tables & chairs available at no additional cost. Contact the Rental Manager for details regarding custom set-up options.

These are suggested numbers; combinations of different table styles may allow for more guests.

THEATER STYLE:

A central aisle with even seating on either side. When there is a wedding ceremony or similar setup, the standard is a 5 foot aisle, large enough for two people to walk down side-by-side. Larger or smaller aisles may allow for fewer or more people.

BANQUET STYLE:

Seating on both sides of rectangle tables allowing for a head table in one part of the room. There may be room for more or fewer guests based on how many chairs are at each table.

ROUNDS STYLE:

6 foot rounds with 8 or 10 guests seated at each. A general estimate with enough room to move around in between tables comfortably.
