Welcome to Our New Updated Registration System

We are proud to announce that our NEW Customer Relations Management Software through Daxko is now live! We are excited to share these much needed improvements with our Members. We encourage everyone to log in, create an account, and check out all of the new and improved features!

To get started go to our website, **www.jccomaha.org**, and click the **REGISTER** link. The link will take you to Daxko. All members will need to click "forgot password" the first time visiting the site. This will prompt a link to be sent to you via email or text (your choice). This is the first step necessary in creating a password for your new account. Once logged in, you will be able to review and update your account information.

We thank you for your patience as we launch this new system. We are confident this new CRM will allow for easier online registration and improved account functionality for Members. The image below highlights some of the new features and actions you will be able to complete from your account. The following pages provide more details on how to get started. Questions? Contact Member Services at (402) 334-6426.

1. Manage	Allows you to edit personal information on your account.

From your account page you can see your appointments, registrations, billing receipts and membership information. This page will also allow you to update your phone numbers, email addresses, and mailing address if needed.

Please note that any transaction or registration history prior to September 1, 2022 will not show in this new computer system. The Member Services staff is available to take your photo for the system on your next in person visit. Barcodes will soon be available for your current membership cards so that you will be able to scan in and track your workouts! The new and improved online registration component will be available soon as well!

We are very excited to bring you these updates from our new computer system, Daxko!
