Click **NEXT** to pick day and time

Then click **BOOK APPOINTMENT**

You can then either book another visit, change your visit, or go to your account.

If you need to cancel your swim reservation you can do this from the member home page under appointments, click view details then your visits and the cancel button.

From your account page you can see your appointments, registrations, billing receipts and membership information. This page will also allow you to update your phone numbers, email addresses, and mailing address if needed.

The Member Services staff is available to take your photo for the system on your next in person visit.
