

PUT YOUR NAME ON THE FITNESS CENTER RECOGNITION WALL!

This is truly a community-wide effort! Please consider a donation in support of the JCC building project.

This colorfully artistic donor recognition wall is located in the Phil Sokolof Fitness Center. It recognizes contributions to the JCC Building Project of \$500+.

Boris Bally, an internationally known artist whose artwork can be seen on the front exterior of the building, will be creating the piece. Donor names will be placed on each individual metal tile, color-coded by gift level. Similar to the members of a “community center”, each colorful tile will move independently but in close harmony and connection with each other. *Don’t wait...there is a limited number of Art tiles available!*
