Dance Class Curriculum & Attire

The style of dance wear varies according to the different dance types. It is important that the garments are made with lightweight, breathable, stretchy fabrics which provide dancers with comfort and freedom of movement. Below you will find the required attire for each of our dance classes.

T-shirts, sweatshirts, shorts or baggy warm up gear are not allowed. Hair must be kept neatly away from face and neck either in a bun or a pony tail, short hair should be clipped back or held back with a cloth headband. No gum chewing allowed. No jewelry should be worn.
